

Engage with your Cultural side: Cultural Intelligence ACR 2017

CULTURAL INTELLIGENCE, or CQ, is a globally recognized way of assessing and improving effectiveness for culturally diverse situations. It is rooted in rigorous, academic research conducted by scholars around the world. Leading organizations in business, education, government, and healthcare are adopting CQ as a key component of personnel development and competitive advantage.

Research demonstrates several consistent results for individuals and organizations that improve CQ, including:

- More Effective Cross-Cultural Adaptability and Decision-Making
- Enhanced Job Performance
- Improved Creativity and Innovation
- Increased Profitability and Cost-Savings
